

TECHNICAL SPECIFICATIONS

Lifting Capacity: 400 lb/181 kg

Vehicle Types: SUVs, CUVs, pickups, minivans and full-size vans

The economical Big-Lifter is similar to Bruno's popular Curb-Sider®. Stand near the bumper or curb, connect the docking device, push a button and the Big-Lifter lifts the mobility device. Whereas the Curb-Sider automatically rotates and stows your mobility device, the Big-Lifter requires you to manually rotate and guide your scooter or powerchair into your vehicle. Often a caregiver is needed to operate the Big-Lifter.

- Power lifting and lowering for effortless operation
- Fold-down lift head allows partial 3rd row seating or extra space when mobility device is not present (optional quick release pins required)
- Vehicle-specific bases for precise installation
- Custom docking device choices to match mobility devices
- No structural modifications to vehicle needed; maintains maximum resale value
- Manual backup system for peace of mind
- Potential to reinstall in another applicable vehicle*
- Eligible for auto manufacturer potential rebates*
- 3-year limited warranty

** Contact Bruno dealer for details.*
